

Bright Horizon Logistics — Notice of Separation

June 24, 2025

Dear Marcus Delgado,

This letter confirms that your employment with Bright Horizon Logistics is terminated effective today, June 24, 2025, two weeks after your June 9 email to HR about overtime pay.

The stated reason for this action is restructuring of the Fresno warehouse coordinator role due to a reduction in force. Your final paycheck, including any accrued and unused PTO, will be processed separately.

Renee Ashford

HR Manager, Bright Horizon Logistics
