

You are not a sales rep. You are a Founding Sales Partner.

The people who help one3Seven reach its first 25 firms will earn the most — and have first right to the Head of Sales role.

YOUR JOB — THREE SENTENCES

Find employment law firms that match our profile. Reach the managing partner or operations director. Get them to say yes to a 20-minute demo call.

Victoria (the founder) runs the demo and closes the deal. You earn when they sign.

HOW YOU GET PAID — SIMPLE VERSION

Upfront Close Commission

20% of first paid month

Solo (\$199) !' you earn \$39.80

Practice (\$499) !' you earn \$99.80

Without closing anything new.

MILESTONE BONUSES — CASH ON TOP OF EVERYTHING ELSE

Milestone	Cash Bonus	When It Pays
5 firms closed	\$500	First milestone — paid that month
10 firms closed	\$1,000	Growing — paid that month
25 firms closed	\$2,500	Serious traction — paid that month

Hit all three milestones = \$4,000 in bonuses on top of commissions and trail income.

THE QUESTION EVERY GOOD SALESPERSON ASKS: "HOW MANY CAN I CLOSE?"

Here is our honest pipeline model based on legal tech sales cycles and employment firm outreach. This is what a focused sales partner working part-time (10–15 hours/week) should expect.

Model assumes cold outreach to employment plaintiff firms. Warm intros through bar associations or referrals convert significantly faster.

REALISTIC MONTHLY PACE

Commitment	Outreach Volume	Expected Closes	Best For
Part-time (10 hrs/week)	40–60 firms contacted/mo	0–1 paid customers/mo	Best for: side income, testing the opportunity
Active (20 hrs/week)	80–100 firms contacted/mo	1–2 paid customers/mo	Best for: building real trail income over 6 months
Full-time	150+ firms contacted/mo	2–4 paid customers/mo	Best for: earning toward Head of Sales role

EARNINGS SCENARIOS — 12 MONTHS

Scenario	Firms	Upfront	Trail (24mo)	Bonuses	Year 1 Total

Realistic	8 firms	\$800	\$960	\$1,500	\$3,260

Milestone run	25 firms	\$2,495	\$2,994	\$4,000	\$9,489

Upfront = 20% of first paid month per firm (blended \$499 avg). Trail = 5%/mo × 24 months. Bonuses per milestone structure on Page 1.

WHAT GETS YOU PROMOTED TO HEAD OF SALES

- Those firms stay active — you show retention, not just acquisition
- You demonstrate you can teach someone else what you did to close them
- You show up as a partner, not just a commission earner

This is a ground-floor opportunity. Ground floor means early.

The legal tech market is moving fast. Employment firms are actively looking for tools that reduce intake chaos. The Founding Sales Partner who builds the first 25 firm relationships will have trail income, milestone bonuses, and first right to a salaried leadership role with equity in a company that is already built and working.
