

This is a ground-floor opportunity.

one3Seven is a working legal tech product in active beta. We are building the sales team now — before the growth curve hits. The people who help us reach the first 25 firms will earn the most.

YOUR ROLE

You connect us to employment law firms. That means reaching out to managing partners, practice managers, and intake directors at plaintiff-side employment firms. Your goal is simple: book a 20-minute demo call. We close. You earn.

HOW YOU GET PAID

Commission Per Close

15%

of first 3 months revenue

You close or refer a firm on the Practice plan (\$499/mo). You earn \$224.55 on that firm for the first 3 months.

Residual Trail

5%

monthly as long as firm pays

Every month the firm stays active, you earn 5% of their plan. A \$499/mo firm pays you \$24.95 every single month.

Milestone Bonus

\$500

per milestone hit

Bonuses paid at 5 firms closed, 10 firms closed, and 25 firms closed. Stack them — hit all three, earn \$1,500 extra.
